orange Foodstuff Equipment Pvt. Ltd.®

One Stop Solution

Orange is a team of professional engineers, with over a decade of experience in various industries & half a decade of experience in designing & setup of In-house Bakeries, Live Bakeries, Food Courts, Fast-food Centers, Industrial Kitchens, Hotels & being a consultant to various Bakeries & Hotels.

Our expertise in maintenance engineering & specialization in operational aspects of projects facilitates us in designing & manufacturing equipments that meet customer's specific requirements. We have strategic tie-ups with some of the well known & respected ISO & CE certified companies from USA, Taiwan, Switzerland, Italy, France, Hong Kong and Holland.

Our proficiency gives us the confidence to assure our clients with total satisfaction in terms of quality, delivery & after sales service. The accuracy of our assurances is appreciated and approved by the industry's well-known professionals; the evidence of which is the Economic Forum's 'Economic Development Award – For Quality & Excellence'.

We have also been honored with the 'Glory of India Award' for our business strategy & encouraging vision. The support, affection & positive feedback from our customers aided our victory.

One of our key missions has always been to abet the industry's growth by encouraging new entrepreneurs. Some of our projects that are specifically designed for new entrepreneurs helped us win the prestigious 'Rashtriya Udyog Ratna Award'.
